# SULEMAN DAWOOD SCHOOL OF BUSINESS

*Developing Ideas and People to Shape Business and Society*

Founded in 1985 as a not-for-profit, LUMS has pioneered innovative educational trends. The expanse of research and teaching at LUMS offers its community 'Learning Without Borders' by breaking academic, geographic, and socio-economic barriers to enhance students' academic exposure and make education accessible to all.

Suleman Dawood School of Business (SDSB) at LUMS is the first business school in Pakistan to achieve AACSB International accreditation (2019), placing it among the top 6% of business schools worldwide. In 2024, AACSB renewed SDSB's accreditation, reaffirming the high quality of its academic programmes in line with global best practices in business education. As a pioneer in case-based teaching in the region, SDSB has the distinction of holding Pakistan's largest collection of business case studies. With a focus on providing thought leadership and driving societal change, SDSB prepares graduates with the skills and competencies to impact practice and excel in today's dynamic business environment.

# WHY MS FINANCIAL MANAGEMENT AT LUMS?

## ■ **Comprehensive Curriculum with CFA Integration**

The programme offers a unique blend of academic rigour and industry relevance, incorporating a significant portion of the CFA curriculum to ensure that graduates are equipped with advanced technical knowledge and practical expertise in finance.

## ■ **Bridging the Gap Between Finance and Strategy**

Unlike conventional finance programmes, MS Financial Management trains candidates to take on larger strategic roles, preparing them to actively participate in high-level negotiations and organisational strategy discussions, and making them valuable partners in driving business growth.

## ■ **Enhanced Professional Skill Set**

Beyond technical mastery, the programme focuses on enhancing essential professional skills such as leadership, communication, marketing, and team-building. This ensures that graduates can confidently step out of back-office roles and contribute effectively to strategic decision-making and organisational leadership.

## ■ **Strategic Understanding of the Macro Environment**

Courses are designed to provide a deep understanding of the broader macroeconomic and geopolitical environment, enabling graduates to assess financial decisions in the context of global trends and developments.

# MS FINANCIAL MANAGEMENT

The MS in Financial Management (FM) is a weekend programme that will provide you with an in-depth grounding in finance, essential for the development of analytical, quantitative, critical thinking, and applied research skills necessary for engagement in the financial sector.
